

# 2024/25 NEWSLETTER OCTOBER 2024

**KALEIDOSCOPE**  
Multi Academy Trust

'Spread your wings and see  
how high you can fly'

## Reminders

Please help us keep your little ones warm and toasty by ensuring they bring a coat to school every day – rain or shine (or a bit of both!). We will be going outside in all weathers.

We've seen a few brave souls turning up without one recently, and as much as we admire their optimism, we don't want them to end up shivering during outdoor play!

### Parent to do list!

- Send children to school with their coat each day.
- Book your parents evening slot.
- Buy Festival of Light Disco entry on SchoolComms.

## European Day of Languages

On the 26th of September, we celebrated the European Day of Languages with some fantastic activities across the school.

- KS1 contributed by creating a vibrant picture dictionary, for the school library.
- KS2 got creative by entering competitions, with students producing artwork of either idioms and artwork by Chagall or 'peace' in different European languages.

It was a wonderful opportunity to celebrate the diversity and richness of languages in a fun and engaging way!

## Key Dates

- 9.10** - Harvest Festival. Please send the children with a food donation for the food bank.
- 18.10** - Show Racism the Red Card Day - Children to wear an item of red with their school uniform.
