## GOODBYE

We would like to wish our Year 6s a goodbye and good luck in their onward journey for life and school.

We will also be saying goodbye to some valued members of staff. We would like to say a big Worle Village "Good Luck" to Mrs Read and Mr Feeley who are moving to our partner school, St Martin's. And, a fond farewell to Mrs Turner from our After School Club.

## SATS

We would like to say a huge well done to our year 6 cohort for their amazing SATs results. They have absolutely smashed the national average with all their hard work.

### Parent to do list!

Aspens are moving to Swift Kitchens for school dinner ordering. Please make sure this is set up ready for September.

For children who would like music tuition, book through WEMA for children in year 3 and above to start from September.

## NORBOT

Children have been given the chance to enter a design competition. All the entries are now in and being judged. Well done to everyone who entered, It is a tough decision for the judges.

## READING

Please don't forget to return your Library books to the school Library. Don't stop reading. North Somerset Library has a reading challenge over the summer.

## RECYCLING

Recently North Somerset Council has launched a new free app, which will make recycling easier. Residents can set up bin day reminders, get real-time service updates and check how to recycle any item. North Somerset Council would really like you to try the app and encourage our children to help the planet by learning about recycling.

## POW Events

Our final fundraising event of the year was a huge triumph, hurrah! Despite a little rain, the Summer Fayre was a sunshine soaked success. Raising over £2,070 and smashing our raffle ticket goal. We aimed for 1,000 tickets sold... and ended up with over 1,300!

What an amazing community we have at Worle Village Primary School.

This year, thanks to your incredible support, we've taken over £11,000 at school events. That's not pure profit (we do have to buy the food before we flip it), but it's still a massive achievement that's gone straight back into making school magical.

Thank you to all volunteers, donations and support throughout this year so far.
