'Spread your wings and see
how high you can fly'

It was a big welcome back to all our children and families as we began the new school year, and an especially warm welcome to our new EYFS children, who have settled in beautifully.

It has already been an exciting start to the term, with so much to enjoy!

Our Celebration of Learning event gave us the chance to see the amazing work the children have been doing, and we were blown away by their creativity and effort.

The children have also been busy designing angels for St Martin's Church, showing wonderful imagination and care in their work. To top it off, we enjoyed a lively POW assembly where an exciting new competition was launched.

We are incredibly proud of all our children for their enthusiasm, talent, and positivity—it's set to be a fantastic year ahead!

Reminders

Waterproof coats needed!
Our very British weather means that it can be sunny in the morning and pouring with rain by the afternoon. Regardless what the weather apps say, please make sure your child has a coat every single day. If it is drizzling we still have outdoor play times.

Parent Planner!

Our first Parents Evening slots will be released soon. Keep your eyes out for the School Ping.

Please complete the flu consent form for your children.

Over the summer, we launched **WingMates**. A simple, flexible way to be part of POW PTA.

WingMates get involved when they can, whether that's lending a hand at events, sharing ideas, or helping spread the word.

Recently, our WingMates helped update the school's sensory garden — a great example of how small contributions make a big impact.

Want to join? We'd love to have you! Just let the School Office know.
