how high you can fly'

## Marvellous May

What a month May turned out to be, packed with milestones, memories, and proud moments across the school!

A huge highlight came when we waved our Year 4 pupils off to camp. They had been looking forward to this for such a long time, and they returned full of stories about the adventures and memories they made along the way.

Mid-month, the whole school came together to complete the Mini Marathon, showing brilliant effort and team spirit from start to finish.

The week of 11th May brought SATs week for our wonderful Year 6s. They had been working incredibly hard in the lead-up, and they approached the week with real determination and resilience. We are so proud of each and every one of them.

Finally we gave Mrs Thomas a wonderful send-off as she began her maternity leave, marking the occasion with a lovely Baby Shower Assembly. We wish her all the very best and cannot wait to meet the new arrival.

## Jam-packed June!

Pleased to welcome the children back after an epic half term of sunshine, and what a packed month June is shaping up to be!

We took a HUGE delivery of new playground equipment and games. Hopefully the children have been telling you all about the zones and the fun new things to play with

First up, our Breakfast Club World Tour runs from 8th to 12th June (see the separate poster attached). We need to see as many children as possible joining us, so please book on School Gateway so we can make sure we buy enough food for everyone!

Please note there will be no after school enrichment clubs this term, due to staff commitments and the volume of events coming up. Thank you for your understanding.

Rehearsals are in full swing for our Worle famous Worle Variety Show! We cannot wait to show you what the children have been working so hard on. Pop the date in your diary, 25th June at 6pm.

22nd June, it's Sports Day (weather permitting, details to follow). Plus all our wonderful in-school learning and fun to look forward to, including our Maths Festival, Scooter and Skateboard Day, and much more!

It's going to be a brilliant month and we can't wait to share it all with you.
